White Knight (One Eye Press Singles) Bracken MacLeod

Once, he had imagined himself slaying dragons and making the monsters pay. But his armor was wearing thin as the women who drifted through his office haunted him with the same, hard-bought lie: "I want to drop the charges." Every bruised face and split lip reminded the prosecutor of the broken home he'd escaped. So when Marisol Pierce appeared with an image of her son and a hint that she was willing to take a step away from the man abusing her, he made a promise he couldn't keep. A promise that could cost him everything. Now, he's in a race against time to find the boy, save the damsel, and free himself from a dragon no one can leash before everything in his world is burned to cinders. This is his last chance to be a White Knight. Some men only know how to do hard things the hard way.
