El Ojo del Volcán (Spanish Edition) Luz Juez

José Luís ingresa en prisión tras ser juzgado por agredir y violar brutalmente a su pareja, Anne; esta, es funcionaria del presidio Ojo del Volcán de Isla Bella donde ingresó el maltratador. El recluso novato siente en carne propia el dolor de innumerables palizas y vejaciones producidas por un clan de reclusos, que siembra el terror por los corredores del penal donde la ley del silencio camina paralela a la propia vida, ayudados por algunos carceleros corruptos llenos de ira y codicia. Pasados dos años, Olís y Magenta son elegidos por el alcaide de la penitenciaría para participar como becarios en un proyecto pionero de reinserción social. Al frente del Proyecto Júpiter está el Magistrado Antón Crespo Ruano, un juez honesto y lleno de valores. Un suceso inesperado en la vida de Julia, hija del juez y ayudante del fiscal, nos llevará hasta la finalización del proyecto y la puesta en libertad de los reclusos becarios
