Endgame Jeffrey Round

A modern retelling of the classic Agatha Christie tale of suspense and murder, *And Then There Were None*.

When Harvey Keill, ex-manager of the Ladykillers, arranges a reunion for his notorious punk band on a remote island off the coast of Seattle, it seems as though the group's glory days are about to return.

One by one, the band members and their guests arrive. Lead singer Spike Anthrax, bassist Pete Doghouse, and guitarist Max Hardcore confront one another for the first time since their well-publicized and highly acrimonious split fifteen years earlier stopped them from finishing their musical testament to punk rock genius: *Endgame*. They are joined by an entourage of groupies, girlfriends, one of America's best rock critics, and a real estate agent invited to put the island up for sale.

But where's Harvey?

No matter — a party's a party, right? *Wrong*. Once everyone has gathered, a dark secret emerges from the past to haunt them and, one by one, the guests begin to fall prey to a mysterious fate.
