**Family Theories: An Introduction (Understanding Families series)** James M. White, David M. Klein

This solid revision of the best-selling **Family Theories** remains the only single-volume textbook to present family theory in a clear, approachable manner appropriate for both advanced undergraduate and beginning graduate students. James White and David Klein draw upon seven major theoretical frameworks developed by key social scientists to explain variation in family life, including the exchange, symbolic-interaction, family life course development, systems, conflict, feminist, and ecological theoretical frameworks. Recommended for courses in Theories of the Family, Marriage & the Family, Family Studies, and Sociology of the Family.
