She creates perfect days.

In spite of her incorrigible curly hair, Lauren Crandell is a neat-freak and organizational guru, qualities that make her the perfect wedding planner. But when two weddings in one day go haywire, and hunky firefighter Nick Corona comes to the rescue -- twice -- Lauren realizes there are a few important details in her own life she hasn't been tending to since her divorce. Namely, her sex life.

She lives lonely nights.

Sweet and sexy Nick seems hell-bent on fanning the flames between them, and Lauren definitely feels sparks flying. But she's scrambling to plan nuptials for her most challenging client yet -- a beautiful, cunning, and certifiable Psycho Bride. With the big day rapidly approaching, a series of misunderstandings, mishaps, and mistaken identities threatens to ruin not one, but two happily ever afters. But with her career and her love life on the line, the wedding planner just might learn that you can't plan *everything*, least of all true love.
