The Master's Violin Myrtle Reed

A Love Story with a musical atmosphere. A picturesque, old German virtuoso is the reverent possessor of a genuine Cremona. He consents to take as his pupil a handsome youth who proves to have an aptitude for technique, but not the soul of the artist. The youth has led the happy, careless life of a modern, well-to-do young American, and he cannot, with his meagre past, express the love, the longing, the passion and the tragedies of life and its happy phases as can the master who has lived life in all its fulness. But a girl comes into his existence, a beautiful bit of human driftwood that his aunt had taken into her heart and home; and through his passionate love for her, he learns the lessons that life has to give—and his soul awakens.
