Medley: 366 Facts You Didn't Know About Music Justin Cordero

Medley is a fun compilation of facts, all covering music and sound in general. This book touches on every subject around music including its instruments, composers, history, the music industry, and much more. Medley is perfect for someone who needs a single resource to research music, for someone who wants to impress with new facts about music, or just for the fun of learning more about music and sound! Music is present in every single official ceremony and celebration that people take part in. You can find music at graduations, weddings, funerals, birthdays, everything. Music can be mind blowing, and complex. But music can also be simple, fun, and silly. Music can fuel political and social movements. It can move you to tears, or compel you to dance. Music can heal, but sound can also be used as a weapon. Medley is meant to reflect all of that.
