Saunders Solutions in Veterinary Practice: Small Animal Dermatology Anita Patel, Peter J. Forsythe

This title is directed primarily towards health care professionals outside of the United States. For most dermatological conditions several treatment and/or management options are available, making the situation even more complicated. Small Animal Dermatology is a handy reference for these cases and encourages the practitioner to pursue a definitive diagnosis and plan effective management even if the condition can not be cured.

- Unique new case-based approach relating essential theory to clinical practice
- Modern, highly designed and illustrated so key information can be seen at a glance
- Self testing, MCQs and remediation means these books are ideally suited for CPD or as an exam revision aid
- Essential for all general small animal veterinary practitioners and students
