Sins of the Father (The Bloody Trail of Disenchantment) (Volume 1) Kali Amanda Browne

The Bloody Trail of Disenchantment is a series about the aftermath of infidelity. The first volume in the series, Sins of the Father includes stories about how the infidelities of father figures affect the children in their lives. As in life, some stories have funny moments, some have tragic moments, some stories have horrific details that will shock you. Some events in this collection of stories are based on real life. The scenes of atrocity and names of the guilty have been changed to protect the disenchanting so that they may continue on their bloody trail until fully healed (who knows if that's even a thing!?). For the record: there are good men in this world. Men who are honest, committed, loving, and ethical. These stories are not about those men.
