The hilarious follow-up to the memoir, *Confessions of a Counterfeit Farm Girl*.

It's been four years since Susan's husband dragged her kicking and screaming from their comfortable, big city East Coast life to a farm in Virginia cattle country. Susan's adjusting as best she can, which isn't easy considering she's been known to wear Manolos in manure. She'll never be a real farm girl, but as readers will see from her side-splitting confessions, she's faking it just fine.
