[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, fae, vampires, HEA] Brio has no idea that when Queen Magdalena tells him he's going through the portal to Ireland his life will be changed forever. The chaos and obvious aftermath of a battle don't throw him but what does is the two gorgeous men, one of whom is badly injured. Brio jumps in to help, as kindness is a part of his nature, only to find out both men are his mates. Finn went from a normal day on the family farm to racing into his worst nightmare. A bright light and help comes in the form of the fae Queen... And his mate. But he doesn't even have time to be excited because his twin, Fergus, sacrificed himself to try and save his ma. Without a thought in his head, Fergus ran into danger. He wouldn't do a damn thing different even now knowing the consequences. But will his mate still want him? Note: This book is written in first-person point of view. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
