Teach your child colors in a fun and playful way with *Animal Colors*, a read-together book that helps your child learn about both colors and animals in the same book. Sturdy flaps lift to reveal pictures to encourage baby's interaction and hold up, even with repeat use by your toddler. *Animal Colors* includes a color-based guessing game that kids will love to play again and again as they look at visual clues and lift the flaps to find the answers.

Children gain familiarity with animals through *Animal Colors* while they develop observational skills, strengthen motor skills, build memory, and lay the groundwork for communication skills, all while enjoying playful fun and parent bonding.
