## **Becoming Strangers** Louise Dean

After more than half a century of marriage, Dorothy and George are embarking on their first journey abroad together. Three decades younger, Jan and Annemieke are taking the last in their tumultuous union. At first the luxury of a Caribbean resort is no match for the habits of domestic life. Then the couples' paths cross, and a series of surprises ensues—a disappearance and an assault, most dramatically, but also a teapot tempest of passions, slights, misunderstandings, and small awakenings that punctuate a week in which each pair struggles to come to terms with what's been keeping them apart. *Becoming Strangers* is a different kind of love story—bittersweet, bitingly funny, and ultimately redeeming.
