ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

An accessible look at Texas politics

Written to be both engaging and accessible, *Government and Politics in the Lone Star State* offers both a journalist's and a political scientist's perspective in its coverage of the economic, demographic, political, and social changes contributing to contemporary Texas politics. Using theory, scholarly research, first-hand observations, anecdotes - and always a bit of humor - the authors examine the nuances of change in political behavior and the decisions of political actors at the state and local levels.

Fully revised to meet the 2306 curriculum changes, *Government and Politics in the Lone Star State, 8e*, contains 13 chapters — a full semester's worth of Texas Government content. The eighth edition features the same pedagogical features students currently enjoy in traditional American Government textbooks, extending their learning experience from the 2305 course seamlessly into 2306.

Learning Goals

Upon completing this book, readers will be able to:

- Understand the economic, demographic, political, and social changes contributing to contemporary Texas politics
- Use theory and scholarly research to understand politics
- Critically analyze Texas's institutions
