Implementing Legal Project Management: The Legal Professional's Guide to Success Susan Raridon Lambreth

This book is a guide to successful implementation of legal project management (LPM) practices for both lawyers and legal professionals alike. The discipline, frameworks, resources and tools described in this book have been tested and successfully used in many matters: from litigation and transactional work to intellectual property and regulatory work. They have been accepted by law firms of all sizes and by clients in law departments both in the US and internationally. The authors are the pioneers in legal project management. Their interdisciplinary approach is rooted in business, engineering, professional development and the practice of law.
