Impossible Love Samantha May

An erotic novel based on the author's own experiences and dreams. The names have all been changed to protect the bashful and the innocent. 'Grace' is 21 and she has never been properly kissed let alone first base. She has never wanted a relationship with neither boy or girl. She is like a fish out of water at social events. Her life has been on hold since she can remember. There is something but Grace has no idea what that something is. But a desire for that 'something' still dominates her every waking thought, and when an impromptu invitation from friends to a house party she has an opportunity to evaluate herself. Grace may make the most important decision of her life. And it's a decision she can only make on her own.....She has to feel safe to make it. What is fact and which is fiction? You decide.
