Our Hearts Entwined: My Creator's and Mine Lydia Acevedo

I was invited by my husband to attend church, not wanting to make him feel bad, I accepted. A conflict of spiritual warfare was raging within me! Until one day, a spiritual awakening took place, as I clearly understood God's calling for repentance and I received salvation. This experience gave birth to this book for all souls who find themselves as I did, as an empty cloud that the wind blows to and fro with no direction. I found my way through Jesus's amazing grace and forgiveness from eternal death to eternal life. This book is dedicated to raise and donate its funds to the cause and treatment of children with Autism Spectrum Disorders. This book includes, Autism Hear Our Cry, a poem based on a true story about the struggles of raising a son with Autism and the daily fight to raise awareness to this cause.
