Reflections Upon the Way E.J. Copperfield

Inspired by Hugh Prather's *Notes to Myself*, *Reflections upon the Way* is a combination of Copperfield's private considerations regarding the individual's perspective on life—happiness and spontaneity, for example—and on communal life; for instance, divorce, abortion and our relationship to Earth. Underlying all the books musings are Copperfield's reflections on our relationship to the Divine One, i.e., God. In a way it is like a diary as it is a look at Copperfield's views on life. Throughout *Reflections*, Copperfield invites the reader to question her worldviews as a means of becoming more self-aware, more deeply appreciative of her values and beliefs. As Copperfield observes, *Reflections upon the Way* is not the final answer, it is a consideration of possible beliefs, beliefs that are open to further consideration.
