## **Starship Detective (Space Crimes Book 1) Dustin Bacon**

I hate solving crimes for the Navy's Department of Internal Affairs: everyone dislikes us more than the taxman, we don't have enough funds, and criminals despise being caught.

My mission sounds easy: stop smugglers from carrying illegal weapons aboard one of our spaceships. I don't have any solid leads, but I'm a pro at this. I've solved worse cases with my eyes shut.

Piece of pie, right? Nope. Try again.

We've spent months planning the mission, but everything has gone wrong. I'm stuck without my equipment in the ship's brig, there's a gang of wannabe criminals chasing after me, my colleague always stands aside while everyone punches me, and my country's allies threaten to destroy the ship (with me in it) unless we stop the smugglers at once.

Failing this mission will start the next great war, and the odds are stacked against me.
