"Sophie cautiously picked her way across the rutted yard, noticing that the dog was looking back at her to make sure she was following. She carefully climbed the steps and crossed the rustic porch. . .She knocked hard but heard no sounds inside. She crept over to the window and pressed her face against the glass. Her screams echoed across the countryside." This latest addition to the Quilting Cozy series finds Sophie far outside her comfort zone as she encounters several major life changes, including two new family members and a job working with lost and abandoned animals. Sarah and Charles struggle to solve the mystery their friend has stumbled onto while trying not to become lost in the many twists and turns they encounter along the way. The Rescue Quilt is the seventh book in The Quilting Cozy series, following Tie Died, Running Stitches, Sea Bound, Patchwork Connections, Stitched Together, and Moon Over the Mountain.
